

OUR VISION

We will be recognised by our market as the manufacturer of choice for custom designed fabricated metal products which will ensure consistent, sustainable growth for the business and our people

OUR MISSION

We design, manufacture and install custom built metal products for coal mines in the Bowen Basin who value our integrity, quality, innovation and understanding of their industry

OUR VALUES

Integrity *"We believe that our reputation is the most valuable asset that we possess"*

Customer Focus *"We recognise that if it were not for our customers, we would not be here"*

Innovation *"We believe that our future success is dependent on our ability to be creative and to embrace change"*

People Focus *"We always put our people first"*

Dependability *"We are mindful of only making promises that we can keep and then keeping our promises"*
